

AFNORTH's standardized imagery identification labeling requirement for CAP is:

- North arrow annotated
- Location: City and State
  - Example: Biloxi, MS
- Object: Name of object in photo (from tasking when available)
  - Example: Chalmette Refinery
- Date: Military format
  - Example: 03SEP08
- TOT: Time Over Target (ZULU)
  - Example: 1030Z
- GPS Coordinates
  - / Latitude: N00.00 W000.00 (NOT degrees, minutes, seconds)
